

All In A Dream

The evening hangs beneath the moon
A silver thread on darkened dune
With closing eyes and resting head
I know that sleep is coming soon

Upon my pillow, safe in bed
A thousand pictures fill my head
I cannot sleep my minds a flight
And yet my limbs seem made of lead

If there are noises in the night
A frightening shadow, flickering light
Then I surrender unto sleep

Where clouds of dreams give second sight

What dreams may come both dark and deep

Of flying wings and soaring leap

As I surrender unto sleep
As I surrender unto sleep

Concept / Storyline

We are put to sleep with lullaby and nice short chorale. First dream is fun and fantastic, then short love story, then loss, then terrors/falling/monsters, etc. Then we wake up.
